

(Put up five fingers on your left hand and zero on your right hand)

Five 5 little men all made of snow,

Five 5 little snowmen in a row

Out came the sun  and shone all day

One 1 little snowman melted away.

(Put one finger down on your left hand and put one finger up on your right hand)

Ho Ho Ho

One 1 had to go

Ho Ho Ho

One 1 had to go

Now there's four 4 snowmen in a row

'Cause one 1 little snowman had to go.

Four 4 little men all made of snow,  
Four 4 little snowmen in a row  
Out came the sun ☀ and shone all day  
One 1 little snowman melted away.

(Put another finger down on your left hand and put two fingers up on your right hand)

Ho Ho Ho  
Two 2 had to go  
Ho Ho Ho  
Two 2 had to go  
Now there's three 3 snowmen in a row  
'Cause two 2 little snowmen had to go.

Three 3 little men all made of snow,  
Three 3 little snowmen in a row  
Out came the sun  and shone all day  
One 1 little snowman melted away.

(Put another finger down on your left hand and put three fingers up on your right hand)

Ho Ho Ho  
Three 3 had to go  
Ho Ho Ho  
Three 3 had to go  
Now there's two 2 snowmen in a row  
'Cause three 3 little snowmen had to go.

Two 2 little men all made of snow,  
Two 2 little snowmen in a row  
Out came the sun  and shone all day  
One 1 little snowman melted away.

Out came the sun  and shone all day  
The one 1 little snowman melted away.

(Put the last finger down on your left hand to show zero  
and put five fingers up on your right hand)

Now there's no snowmen in a row  
'Cause five 5 little snowmen had to go.
